

Minutes

CPW

March 26, 2026

In attendance: Scott Holder, Bill MacRostie, Jo Untiedt, Graylon Cole; Webmaster: Holly Dowden.

Agenda:

Treasurer's Report: Jo uploaded financials to Basecamp and had printed copies.

D10 Community Meeting (Bill): Bill attended Councilman Hinds's community meeting. DOTI was the main subject surrounding community frustration (in general) with DOTI across the board. City Council discussing breaking it into more than one entity. General discussion on traffic safety. General discussion on STAR program. Hinds reported a data center task force was formed after community opposition in GES to data center construction.

Web Page Review: Holly & Jo locked out so will contact Zack to get in. Holly still needs to be assigned admin.

INC Report: Board voted to oppose INC statement regarding Alameda traffic calming statement put out by INC Board for review.

Follow Up Topics:

Safety: Scott met with residents, DPD and Mayor's office over ongoing issues pertaining to crime, homelessness, etc., along CPW's portion of the East Colfax corridor. One volunteer from that meeting to work with Scott on liason with D2 and community with eye toward forming formal Neighborhood Watch. Full notes loaded to Basecamp.

CHUN: Scott provided brief overview of History Matters meeting in March. Nothing specific impacting CPW at this point.

16th St Shared St: Scott to follow up with CPD asking them to consider looking at 21st as an alternative.

South City Park: Scott attended community meeting for proposed conservation overlay. Talked extensively with CPD about CPW's interest. Scott to reach out to potentially interested CPW residents about starting this for our neighborhood.
